President brings home the Gold

Congratulations to our club president Carol Rodgers on bringing home a gold medal for England from the Masters World Cup in Cape Town, South Africa.

Carol and her team went undefeated throughout the tournament conceding just 2 goals and scoring an impressive 36 goals.

After a tight semi final against Argentina, where they won 1-0, the team secured gold with a win in the final against Scotland 5-0.

Masterclass session

The first of our masterclass sessions takes place next **Thursday 3rd November between 7–8.00pm**. The focus of this session will be short corners where we will explore the different elements of a successful corner. So if you want to learn how the stick stop, practise your drag flicks or master dragging the ball out come and join us. The session is open to all members of the club.

Sports Club Management AGM reminder

Lichfield Sports Club is the joint management club that oversees the clubhouse, bar and grounds. This is a vital part of the running of the Hockey Club and the other clubs that use the ground (Lichfield Cricket Club, Whittington Rugby and Chasetown Junior Football). The Sports Club would like to give notice of their AGM on Thursday 17th November @ 7.30pm in the clubhouse.

Club Stats

We hope you've been enjoying the weekly score roundups? We will continue to track the stats of the season for you and highlight some of the fantastic performances we've been having. Leading the way with the goal scoring is the Mens 2 with the top 3 club scorers (league games only!!) all residing there, Sam Alcock – 6, Jon Goodwin – 6, Adey Gilbert – 5. We had 3 hattricks on a bumper 2nd week of the season but its been quitter since and look forward to the next name on the list. The challenge for the next few weeks is for the club to have a positive goal difference over a weekend.....

Bonfire Time

The fantastic community bonfire organised by our Sponsor is just a week away. This event supports so many local groups and is a great way to support the club and local community. If you're around to help on the evening please let your captain know but if not we look forward to seeing many of you on the evening.

Originally specialising in cricket photography, Nigel has now had the opportunity to photograph many different types of sports, including; rugby union, badminton, canoeing, eventing and equestrian, hockey, football, kick-boxing, and moto-x. *For images from the games, to order prints or to contact Nigel please see*

Overseas Guests

We're a little late with this welcome so apologies but we can formally introduce our guests for the season from Spain. Biel and Quim are over with us as part of the Men's 1st XI squad. Both play in the Barcelona region of Spain and come to us with plenty of experience. They fitted straight in the squad and we wish them well for the season.
